

August XX, 2025

We are excited to bring you some important announcements about your bank's growth and improved product offerings.

We want to first let you to know that your bank is expanding. We are adding a new banking center in the Beaumont, Texas area; a region that shares many similarities to the Greater Powell area with a rich history in agriculture, ranching, energy, and manufacturing.

We also want to let you know that as a tribute to our customers' hard work as producers for your families and businesses and to show our commitment to helping you grow and produce, we will be changing the name of your bank to **Producer Bank of Texas**.

With this change, we will be introducing new accounts and services we believe will better help you reach your financial goals, including **Personal Free Checking** and a **Small Business Free Checking** account. And for even greater convenience, we will be improving our online banking platform and implementing mobile banking services.

Important Note:

Your account number and the bank's routing number will not change!

Your Social Security Deposits and other direct deposits will also continue as normal.

In order to bring you these new products and services, we will be making critical system changes and upgrades at the close of business on **Friday, August 22, 2025**.

At the time of this upgrade, we will print and send you a final statement reflecting your old account type. Your accounts will automatically change to our new and better account structure. For more details, please see the enclosed new product information packet.

On Monday, August 25, 2025, we will re-open as Producer Bank of Texas with the same familiar faces and great service you've come to expect!

We believe our customers deserve a hometown bank that not only meets your needs and exceeds your expectations but also delivers products and services that will help you produce the success you deserve. Producer Bank of Texas is proud to be that bank.

Thank you for the trust and confidence you place in us.

Sincerely,

Jerrie Albritton
Market President
Powell State Bank

Donald Legato
President and CEO
Producer Bank of Texas
